PICKENS, S. C.,: Thursday, March, 26, 1903.

There is no place like home - if on live in Pickens. Have you er thought seriously about it?

Small pox is still giving trouble many places in this state In 10 sections, it has been a serious npering to business.

Every time it rains the roads e on that mournful look which ms to indicate that they have had their just share of atten-

\ reasonable compromise is the ; in conformity thereto,

The little plowing done last ok made a decided showing, but running furrows with regularihenceforth.

mity.

What are you doing for your vn? What are you doing for mmunity? If you never move growth, you will surely never ich the reasonable opportunities which you are entitled.

Large cities were not built in y, but in their building many re the revelations made to peoe looking for just such opportuties as are offered by Pickens. t everybody talk the town-they anot overrate it.

Court continued considerably nger last week than the majority the lawvers and other people inprested thought it would, but this

ld not be deceived.

the Civil War are concerned.

people as to the true status of the public Treasury. Without regard to the opinion of any official, but with a due regard for the interests of each, and without thought of the interests of the town and ance the interests of the town and annual results of the say that the law is a wise provision and the recommendation of the grand Jury is timely and personable of the public Treasury. Without regard to the opinion of any official, but with a due regard for the interests of each, and without thought of the interests of the town and annual results of each, and without thought of the interest of each, and without thought of the interest of the town and have at issue, we do not healtast to say that the law is a wise provision and the recommendation of the Grand Jury is timely and personable of the good that at very reasonable timent.

They are incurring to the true status of the public Treasury. Without regard to the opinion of any official, but with a due regard for the interests of the first had not regard for the interests of the doctor could not help her. She had fits frequently, some interest that any newspaper could have at issue, we do not hesitate to say that the law is a wise provision and the recommendation of the Grand Jury is timely and personable of the good that at very reasonable timent.

They are incurring to the town and Jury is timely and personable of the good the Dr. Miles' Nerve and Liver Pills and is never without them. If there is any way of making their business, and this are to the decrease of the good the Dr. Miles' Nerve and Liver Pills and is never without them. If there is any way of making their business, and this are to the doctor could not help her. She had fits frequently, some times very severe. Her had have at issue, we do not hesitate to say that the law is a wise provision and the rains had he said she was parally another attack. She was confined to her before the common of the grand part times the times that any newspaper could have at issue, we do not hesitate to say that the la as Railroad headquarters, and tell public Treasury. Without regard staing their business, and this accrues to the advantage of the porty holder.

### LIBERTY GROWING.

We congratulate the town of Liberty upon her continued growth. The doubling of the Liberty Cotton Mills is significant of the prosperity of the mills, and the money to be spent in the increase will acerue to the advantage of Liberty and her people. The acquisition of R. C. Carter Co., an onterprising concern that proposes to do business on a scale that will meet the general demands, means larger From this time till crops are commercial importance for the nd by" there will be no time to town and is an addition that has come into existence because of the fact that Liberty is the trade centor for a thickly settled and generally prosperous section of coun-

### TOBACCO AS A CROP.

The newspapers tell us that grow ing of tobacco in the lower part of the state has proved so very successful that the planters are arranging to extend the scope of its it cultivation. Tobacco planting has been successfully carried on in the eastern part of the state for sever al years and that in a latitude at solution of most cases on the that differs very little from that in N. 7., on every battle. il side of the court. The poo- which we live. Why can it not recognize this, and are practic- be successfully grown in Pickens county? Are there conditions existing here that make it impracticable to expend money in the necessary mers are restless and want to preparations for; its cultivation? Those who have tried it on a small scale are authority for the statement that it can be grown here the progressive citizen pushes successfully and profitably with own business, and recognizes some preparation. With all adet co-operation is the secret of quate preparation, there seems to amunity progress. This will be no reason why its calcivation cance the interests of any com- could not be made a onying industry. It commands ready sale and comes into the market at a season whea those who have had experis ence in growing cotton know that its money value is always most needed. Then it means a diversification of crops, and of course the cultivation of tobacco requires the best quality of land to make its growth a success. This means better lands and more attention to the lands that are cultivated; it means more money in farming; it means that much added to the prospects for local prosperity.

### THE COUNTY INDEBTEDNESS.

The Grand Jury, in its late presentment, referred to rumors of is due, in the main, to the fact extravagance on the part of the at some cases had been trans. present Board of County commisred to Pickens from Greenville stoners. It is a well known fact d these consumed a goodly por. that this present Board has been confronted with many demands. and has added improvements for The final presentment of the the benefit of county institutions, and Jury at this term of court at least this is true as to the maws a keen sense of appreciation jority of the present Board. What the duties of such a body, and the Board is doing new, it is imiven to the reading public this possible to know without a long ek, in order that the people may and tedious examination of their and know that their affairs are office, and the Grand Jury took the ng guided by safe and consert best possible method of letting all the people know how their money is being spent, that is, by recommall enterprises build a town, mending that they publish quary help every individual depen- terly statements of their expendit on the business of a communitures, as the law requires. The Open the way for develop- publication of these quarterly it of small enterprises by ju- statements is not an issue between ous advertisement of your neight the County Board and the news-100d. Do not be afraid to papers. It is the law, and in failk the advantages of your lo- ing to do this they fail in the disty. Send it abroad-others charge of their full duty. The ht thereby be induced to come publication of these reports is a in coming to Pickens, they protection to them, or at least it should be, and it is information to he organization of a camp of the public who pay the debts conifederate Veterans at Pickers tracted by the Commissioners, and aks more eloquently for Pickens they have a right, under the law, to anything we might say could to be informed as to these things ak. The Veterans of Pickens without being required to come to the office of the County Supervisor rd in contributing their help [in and make a long examination that ing honor to the cause, and in would require the skill of an exs the ladies of the communities pert. The county pays this exjacent to Pickens, and Pickens pens, as it does all other expenses. lies as well propose to do their It does not come out of the pockets most to assist in this worthy of the Commissioners. The Legisovement. The fact that other lature enacted this law for the .mps have been short-lived does very obvious purpose of evading it argue that Pickens ought not or avoiding all grounds for just organize sc far as the veterans such rumors as the Grand Jury alluded to in their presentment, and to protect the public officials from Drop in and see J. D. Holder & unjust censure by informing all o., whose offices are at the Pick- people as to the true status of the

Tightly Locked From Nervous Spasms.

Physicians Could Not Prevent Fits.

Dr. Miles' Nervine Cured My Wife.

Dr. Miles' Nervine has been successfully tried in thousands of cases of nervous disorders, but never has it made a better record than when used in the treatment of fits or spasms. Thousands of testimonials prove this, and in nearly every instance the writer has stated that the fits cased after the first dose of Nervine was given. The statement is repeated in the following:

"Seven years ago my wife commenced having spasms or fits and I called in my home physician and he said she was paralyzed. He rubbed her with salt water and gave her calomel and she eventually got

Sudden Deaths. How the Interseting Game of Adjectivet la Played.

easily make. thi strips of white bristol board of a very heavy quality. Make all the strips of exactly the same six, about two inches long by three-quarters of an inch wide. Search the advertisements in newspepers and magazines for adjectives printed in large, bold type, cut them out and paste an adjective on proceeding is to collect money each slip. Do not have the same from exchange paid by this Co y a proper treatment of adjective on more than one slip, land return same to the origina by taking for Rilmer's to be found the mission of a magazine are contributors. to be found these adjectives: Reliable, pure, transparent, sanitary, an- Cross Plains, one share; Hunters dy to held urfor and reald- tiseptie, life saving clean, healthy, the palatable, desirable, famous, peculiar, mild, satisfying, sweet and nat- Creek, one share; Peters Creek, onural. So you see in a short time you can get a set or 200 or 300. erty, one-half share. When you have collected your adand sold jectives and pasted bem on the slips, find a pretty box for them, and write and slip inside, with the adjectives, the following directions 2 port for playing adjectives:

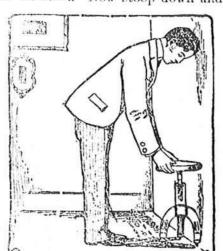

Choose one player who is a good reader to select some story, which struction | she is to read aloud to the other players. Deal out all the adjectives to the other players, the blank side l of the eard being on top. No player must look at his a ljective. The render begins the story and pauses before each adjective. Each player in turn draws an adjective from his hand and reads it in place of the adjective in the s.ory.

This game toes not lose interest because a different story is read cach time, and the adjectives never fit or misfa in the same way. The furnier and more unusual the adjectives the merrier the game.

This Will Fool Them.

Here is a very simple way to have fun shough to last all the evening. Try it yourself before you introdam it at a party:

Place the piano stool on the floor agniast the wall and stand away from the wall just twice the width of the stool. Now stoop down and

TEYING TO LIFT THE STOOL.

take hold of the top of the stool and lean forward until the top of the Darham, Mary Ann Peay and Nancy ur head touches the wall, your ack being almost horizontal.

What you have to do now is to lift the stool from the floor and stand up straight again. You can't

You wonder why, of course. In taking the position described you displace your center of gravity, and you cannot raise yourself to an upright position again without dropping the stool and giving the wall a

Let every boy in the company try this. They will all laugh at the idea of not being able to do so simple a thing, but let them try, and they will laugh "on the other side of the mouth."
